This will be welcome news to the many friends of both sides.

Many witnesses from Maysville and Mason county had been subpoenaed to go to Vanceburg this morning.

The contestants were represented by Samuel J. Pugh, E. L. Worthington and Thomas R. Phister, and the Attorneys for the Executrix were Messrs. W. C. Halbert of Vanceburg, William A. Young and George B. Caywood of Morehead, and Sallee & Slattery of this city.

The new Chesapeake and Ohio Flyer between Washington and St. Louis, instituted about ten days ago, is giving the passenger representatives of that line intense satisfaction. "IS THERE NEVER A 'LET-UP' IN YOUR TRADE?"

asked a gentleman in our house last Saturday. The remark was prompted by having to wait a bit to get his wants attended to. Usually this is considered the dull period of the clothing business. The provisions we make to prevent trade apathy keep things on the move right along. Where else will you go to find the following lines of this kind of weather clothing and in quantities that every one can be suited? Panama Hats, 50c to \$5. Linen Crash and Wool Crash Pants, \$1.50 to \$3.50. Alpaca and Drap-de-Tes Coats and Vests, \$1.50 to \$7, the latter the finest of imported goods. Our Outing Crash Coats and Pants at from \$5 to \$16.50 have again been replenished with new styles. Our Negligee Shirts, of which we have an immense line, are the most comfort-giving boon to mankind just now. Our White and Figured Vests are greatly admired and largely bought by good dressers. W. L. Douglas and Hanan have become household words. Why? They give the satisfaction people expect that pay fair prices for shoes. Money or other shoes if they do not give reasonable wear.

PARENTS who furnish toy pistols and blank cartridges for children to kill themselves ought to be indicted for murder.

FOR fear that some one may escape from St. Louis with a few pennies, the World's Fair Guards have been armed with slungshots.

WHILE placing your dough on the entries in the Democratic handicap at St. Louis, don't forget to lay a few coppers on your Uncle Grover.

IF MR. WILLIAM JENNINGS BRYAN doesn't succeed any better in defeating Judge PARKER than he did in electing himself his opposition will not amount to much.

WHEN fools quit helping the kitchen fire along with coaloil; when women quit stepping off streetcars backwards;—then it may be hoped that parents will have enough sense to quit giving toy pistols and guns and blank cartridges to their children.

THE scandals and corruption in the Postoffice Department, and the refusal of Republicans to permit any further investigation, are suggestive of hidden or concealed corruption. We are, therefore, in favor of a thorough investigation of all the Departments at Washington in order that fraud and dishonesty may be discovered and punished, and a pure and honorable and efficient administration of public affairs secured.—Kentucky Democratic Platform.

And now, please, how much "fraud" and "dishonesty" was punished when Honest Dick TATE ran off with the Kentucky State Treasury?

BACK GIVES OUT.

Plenty of Maysville Readers Have This Experience.

You tax the kidneys—overwork them. They can't keep up the continual strain. The back gives out; it aches and pains. Urinary troubles set in. Don't wait longer; take Doan's Kidney Pills. Maysville people tell you how they act. Mr. Robert Wise of Forest avenue says: "Doan's Kidney Pills are, from the evidence I have, a sure cure for backache. I say this, not only from my own experience, but also from that of several others who have received the greatest benefit from the treatment. I suffered from pains in my back, a disturbed condition of the kidney secretions and symptoms of an inflamed condition of the bladder. Procuring Doan's Kidney Pills from J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, they gave me quick and effective relief." For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.

If any one isn't pleased with the present era of unprecedented prosperity, all he has to do is to vote for the Democratic candidate for President. When the Democrats are restored to power, he will have plenty of time to walk around to the free soup-house and get his three meals a day.

WHEN the Republicans said in their platform that they favor Congressional representation according to the number of voters in a state, as the Constitution of the United States provides, it was hardly expected that it would please the Solid South. But it is justice; not only that, it is constitutional.

SUIT has been filed at Trenton, N. J., to dissolve the Standard Oil Company, on the ground that it is illegal and exists in violation of the Anti-Trust Laws of the United States. Well, let 'er go, Gallagher; and when the Standard is put out of business, just watch the price of oil go up under "independent" production.

SECRETARY WILLIAM H. TAFT has a friend who is a farmer near a Maine Prohibition town. A stranger once went into the farmer's house, says the Secretary, and asked for a glass of milk. The farmer filled the glass with whisky, milk and sugar. The stranger after draining the cup handed it back and remarked: "My Lord, what a cow!"

GOVERNOR TOOLE of Montana has just pardoned WILLIAM WALTON, convicted twenty years ago of the murder of JOHN EDWARDS, near Deer Lodge, and sentenced to the Penitentiary for life. The pardon is the result of the confession of WILLIAM MILES, made at Kansas City June 13th, when he admitted having killed EDWARDS. WALTON, perhaps, was "convicted" on the same character of evidence that "convicted" CALEB POWERS and JIM HOWARD—and would like to "convict" Governor TAYLOR and ex-Secretary of State CHARLES FINLEY—of the killing of WILLIAM GOEBEL.

Thousands Have Kidney Trouble and Never Suspect It.

How To Find Out.
Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

They say it was Doc Wallace's speech Monday night at Limestone Fire Hall that did the business. Solid chunks of facts, entwined with sparkling humor, rippled forth from the lips of the eloquent speaker with the ease and grace of a Chauncey Depew. Men became enthused and the ladies present actually threw their bonnets in the air in an ecstasy of delight and approval as the speaker adduced his unanswerable argument. Doc's presence is generally felt in a campaign when he takes his coat off and rolls up his sleeves and gets his articulator going in good shape.

SOCIAL EVENTS

The pretty home of Mr. and Mrs. George Politt in East Second street was the scene of a delightful social gathering Monday evening. Mrs. Politt entertaining in honor of Mr. and Mrs. Preston Degman Wells. The house was artistically decorated, the principal colors being red and white. Dancing was indulged in from 9 to 12 p. m. and during the evening delicious refreshments were served. Mrs. Politt is a charming hostess, and her guests enjoyed every moment of the time.

The reception given last night by Miss Roberta Cox, at her home in West Second street, in honor of tomorrow's bride, Miss Marian Wormald, was a beautiful affair of "Hearts and Flowers."

Miss Wormald and Mr. Regenstein, with their bridal party, Miss Harriet Collins of Covington, Mr. Frank Wormald of Davenport, Iowa, Mr. Harry C. Curran and Rev. R. E. Moss, assisted Miss Cox in receiving.

The handsome home was made especially attractive for the occasion, with a profusion of sweet peas, pink carnations, Southern smilax and ferns.

On the tea table was a mass of pink sweet peas with smilax outlining a perfect heart of large dimensions. Miss Lottie Berry presided at the coffee urn, and the guests were handed fruit salad in cups made of ice, heart shaped. Sandwiches were also heart shaped and tied with pink ribbon.

The punch table stood in the large hall bay-window and there Miss Fannie Frazer very graciously dispensed good cheer.

During the evening about seventy-five friends offered their felicitations and congratulations to the accompaniment of sweet strains of appropriate music furnished by Miss Berry and Prof. Bullett.

DR. OWENS REMOVED

Governor Beckham Appoints His Successor at Lakeland
Governor Beckham Monday directed the entering of an order on the Executive Journal removing Dr. C. C. Owens of this city as First Assistant Physician of the Central Asylum for the Insane at Lakeland, and naming Dr. M. H. Yeaman of Henderson as his successor.
No further information regarding the change of officials was given, and it becomes effective immediately.

Dr. Owens has been at Lakeland only a few months, having gone there from the State Institution for Feeble Minded Children, located at Frankfort, of which he was Superintendent for several years.

He was succeeded there by Dr. James Hill of Nelson county, who had previously held the place of First Assistant at Lakeland. The place vacated by Dr. Hill was given Dr. Owens by the Governor after his removal from the Frankfort institution.

SENT TO THE PEN

One West End Tough Put Away For Four Years
The present term of the Circuit Court has certainly proven a Nemesis to violators of the law. Monday, after several hitches at the case, Thomas Mullen was fined \$200 and given six months in the County Jail for shooting and killing a horse belonging to Charles Haughaboo. Mullen has asked for a new trial.
Yesterday Ezekiel Smith was given four years in the Penitentiary for highway robbery. Smith waylaid and robbed Vincent Estep last March in the West End. He was arrested by Policeman Ryan and held over by Judge Whitaker to the Circuit Court in the sum of \$300. The Daniels case for the shooting and wounding of Kemp Ball is now being tried.
